

Himbing Ph

Ease of Sleep for Everyone

Problem

**RACING
THOUGHTS**

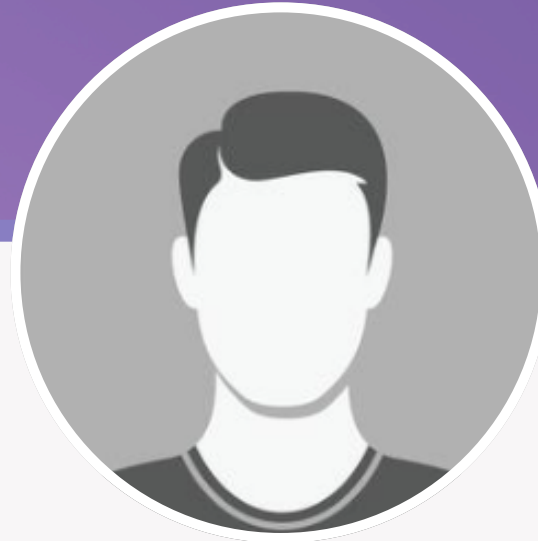

**TASK
ANXIETY**

**PHYSICAL
TENSION**

56% of Filipinos sleep less than 7 hours, with professionals taking up to 2 hours just to fall asleep.

Customer Persona

**Profile:**

- Working professional (₱25k–50k income)
- Lives in Metro Manila
- Heavy phone user before sleep
- Busy, high-stress lifestyle

Challenges:

- Takes 1–2 hours to fall asleep
- Constant racing thoughts about work
- Feels physically tense and restless
- Wakes up tired and unproductive

Needs:

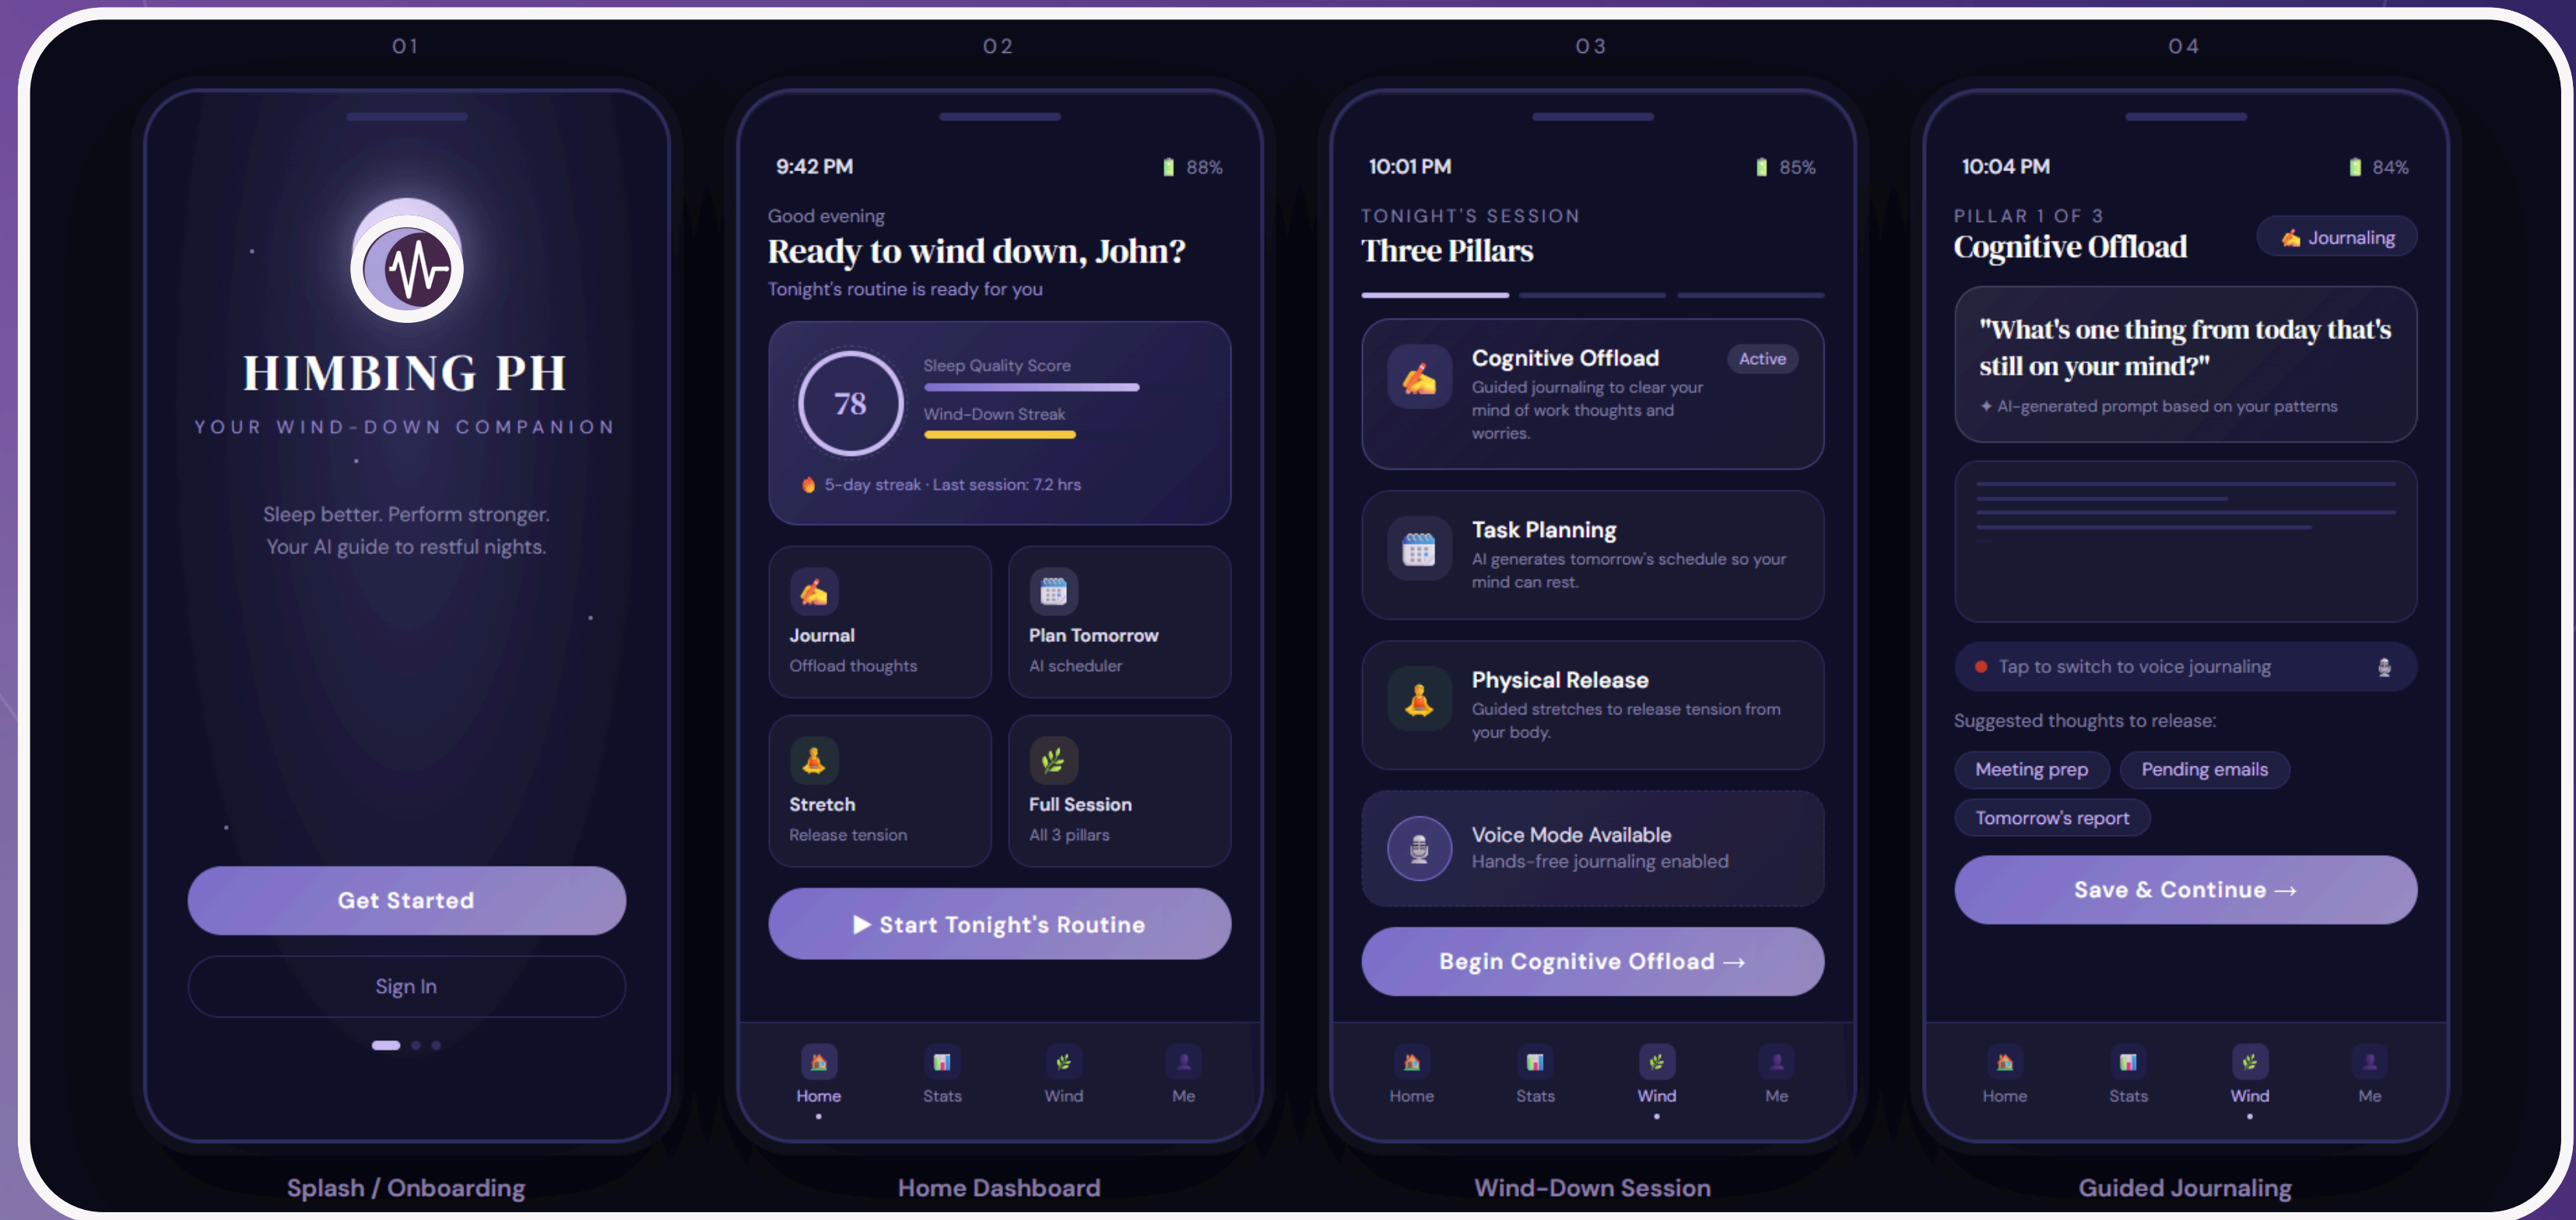

- Structured nightly routine, mental clarity before sleep, physical relaxation support, easy-to-use solution

Solution

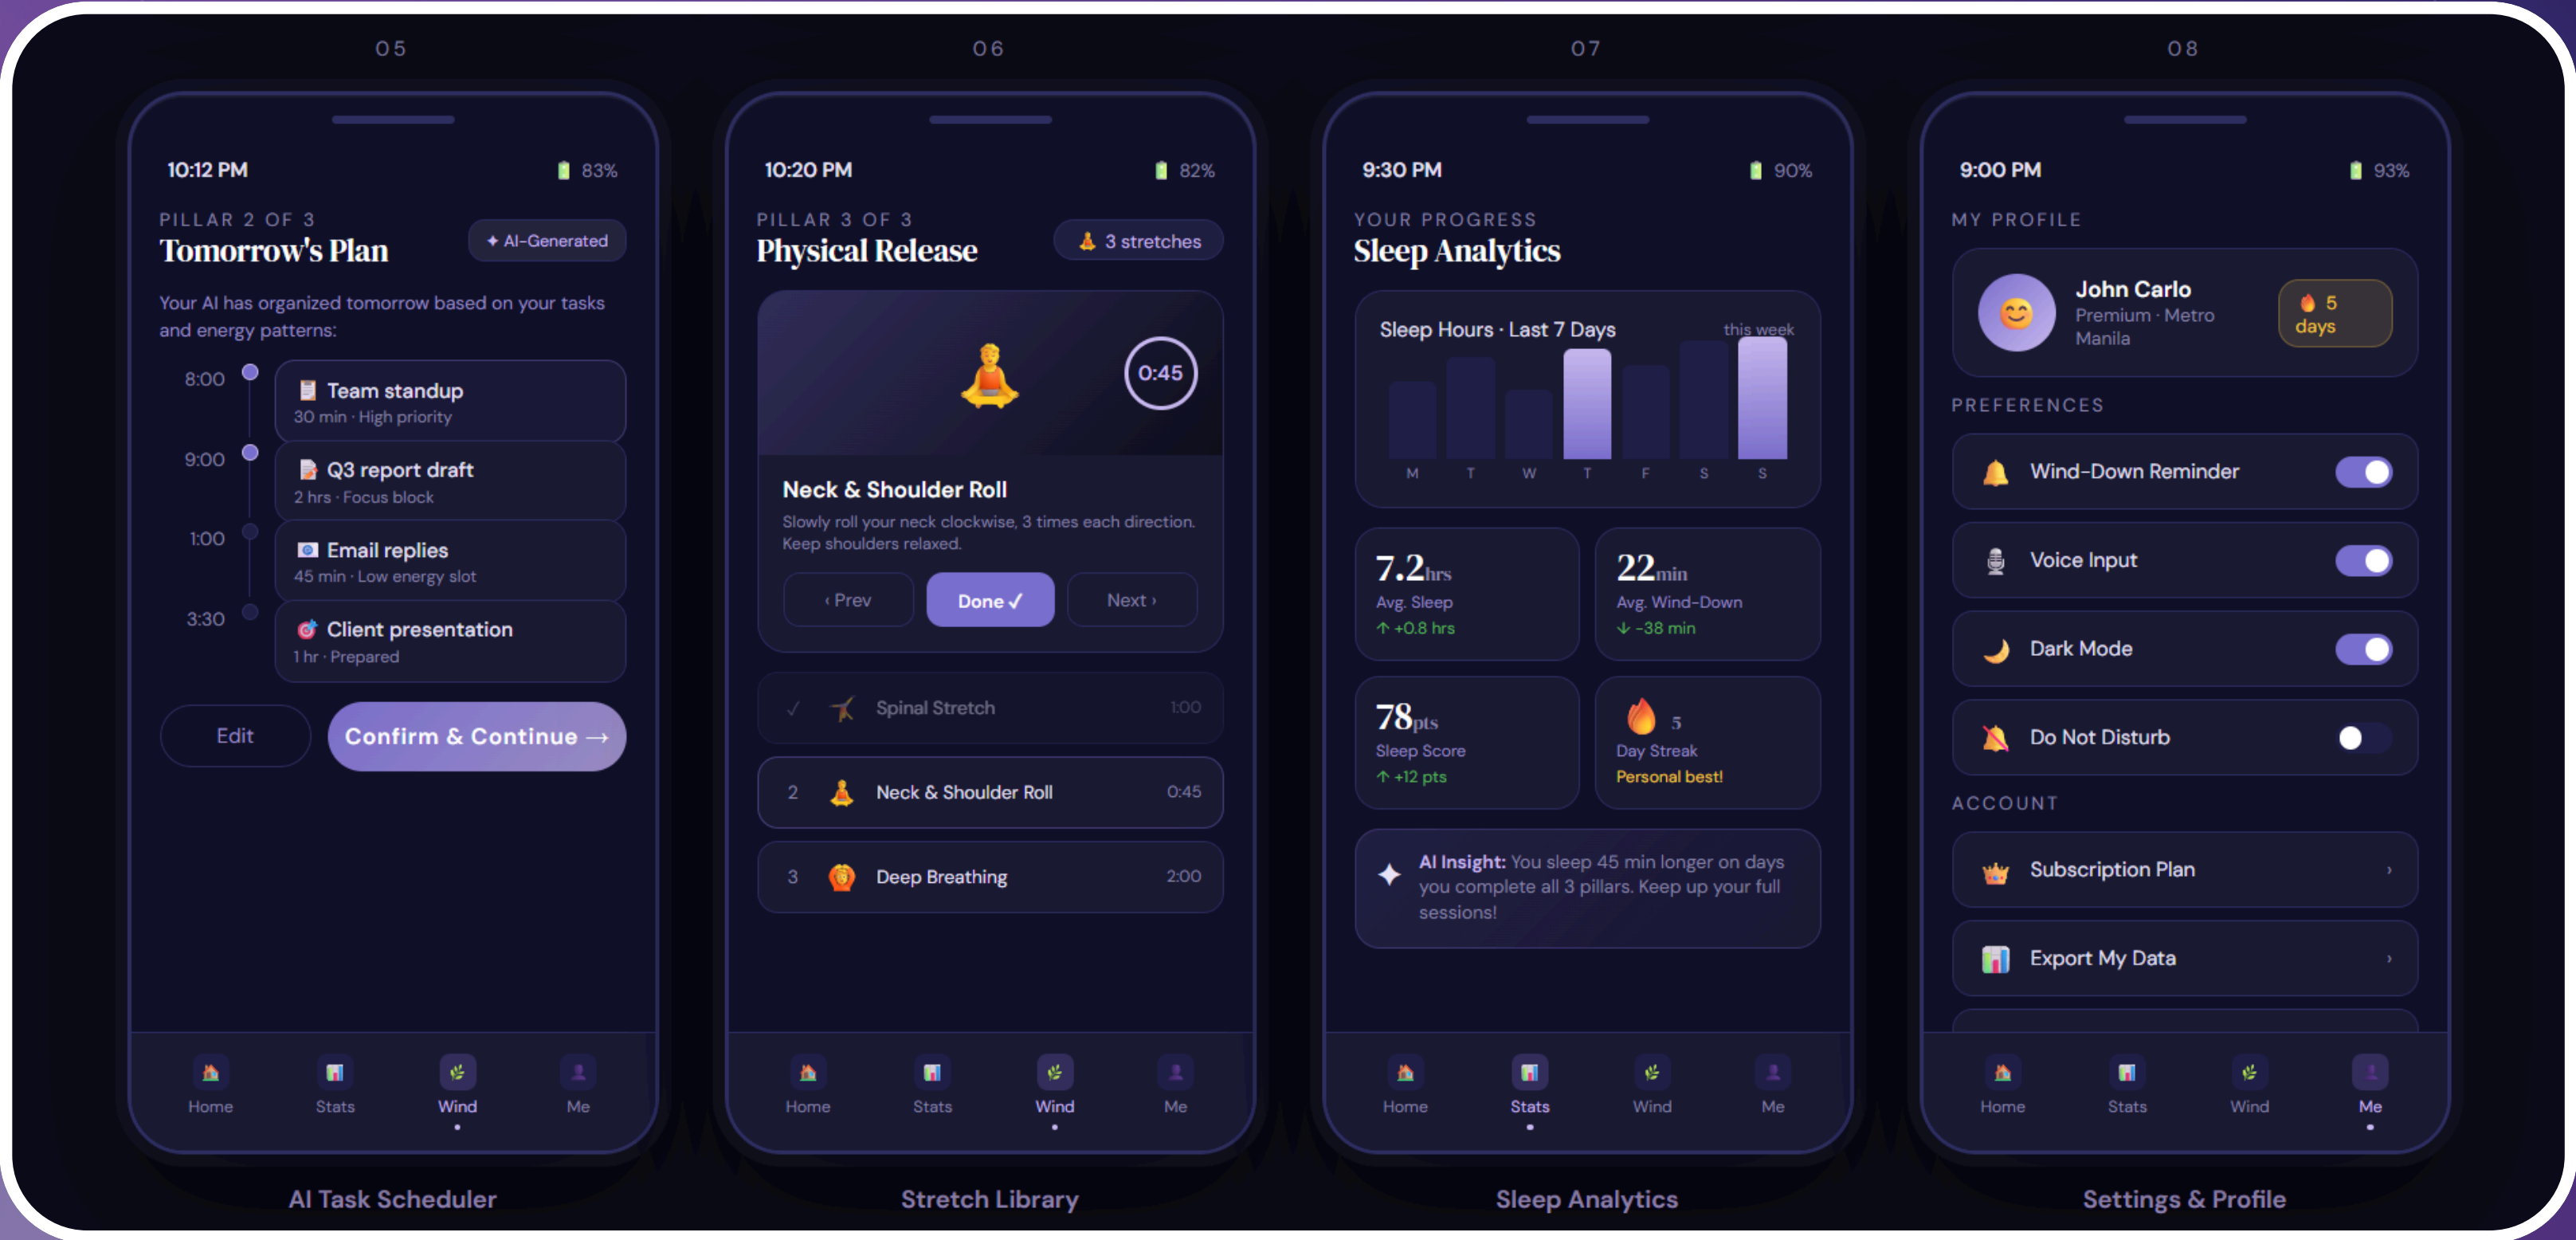

Himbing Ph is a mobile app with an optional wearable that helps users fall asleep faster through guided journaling, task scheduling, recommended stretching, sleep tracking and specialist access
